## ITINERARY

This is your chance to explore Australia on a bucket list journey. Start your holiday by travelling on the Indian Pacific from Sydney to Perth. Travel to Broken Hill where you embark on your choice of Off Train Excursions to experience the town's unique mining, cultural and artistic attractions. Next arrive in Adelaide with the choice of a tour of the city, a visit to the world-famous Barossa Valley or McLaren Vale wine regions, or a trip to the beautiful Adelaide Hills. You will awaken the next day in the extraordinary Nullarbor Plain - the longest stretch of straight railway track in the world. After your rail journey, spend two nights in Perth before embarking on your 17 night cruise from Fremantle. On the cruise you will experience some of the best parts of Australia. Enjoy snorkeling in Geraldton, cruise along the beautiful Kimberley coast, explore exotic Broome, see crocodiles in Darwin and so much more!

## CRUISE HIGHLIGHTS

### Broome

Broome's rich and colourful history has created a multicultural melting pot that is reflected in the town's welcoming and laid-back feel. Warm temperatures and palms deliver a tropical vibe that fits perfectly with the many holiday resorts and the stretch of white sand known as Cable Beach.

### Darwin

Darwin is treasured country to its traditional owners, the Larrakia people, who are prominent and active members of the local community. Darwin has evolved from its days as a laid back frontier town and while it still retains its relaxed charm, it has become a sophisticated city, both modern and multicultural, boasting a population made up of people from more than 60 nationalities and 70 different ethnic backgrounds.

### Alotau (Milne Bay)

Overlooking Milne Bay, Alotau offers a fascinating introduction to the culture and natural beauty of Papua New Guinea along with an insight into the impact of WWII. This natural harbour has been visited by missionaries, miners, traders, pearl divers, scientists and military forces alike as a strategic destination that saw explorers charting its waters as early as 1660.

## CRUISE ABOARD SAPHIRE PRINCESS

Sapphire Princess is a jewel on the high seas - filled with innovative features and luxurious amenities. Swim in one of four sparkling pools, shop the boutiques or get a massage in the Lotus Spa. Dine casually on pizza and burgers or more elegantly in one of the many formal dining rooms and specialty restaurants.

One of the best-known names in cruising, Princess Cruises first set sail in 1965 with a single ship cruising to Mexico. Today, the line has grown to become the third largest cruise line in the world, renowned for innovative ships, an array of onboard options, and an environment of exceptional customer service.
